

# Index to Volume 60

## Key to Index Abbreviations

<i>curb con</i>	Curbside Consultation
<i>diary</i>	Diary from a Week in Practice
<i>ed</i>	Editorial
<i>FDA</i>	FDA Perspective
<i>fam pract</i>	Family Practice International
<i>let</i>	Letter to the Editor
<i>med rep</i>	Special Medical Report
<i>med soc</i>	Medicine and Society
<i>photo</i>	Photo Quiz
<i>quiz</i>	Clinical Quiz
<i>res stu voice</i>	Resident and Student Voice
<i>tip</i>	Tips from Other Journals

## A

### abdominal pain

acute appendicitis: review and update (*article*), November 1, p. 2027

evaluation and management of dyspepsia (*article*), October 15, p. 1773

failure to pass meconium: diagnosing neonatal intestinal obstruction (*article*), November 1, p. 2043

### abuse

case studies in partner violence (*article*), December, p. 2569

### accidents

post-traumatic stress reactions following motor vehicle accidents (*article*), August, p. 524

### acid regurgitation

dyspepsia: relief not yet beyond belief (*ed*), October 15, p. 1649

evaluation and management of dyspepsia (*article*), October 15, p. 1773

head and neck manifestations of gastroesophageal reflux disease (*article*), September 1, p. 873

### acne

back rash (*photo*), September 1, p. 927

### acupuncture

treatment choices for plantar fasciitis (*let*), December, p. 2504

### addiction

marijuana: medical implications (*article*), December, p. 2583

outpatient detoxification of the addicted or alcoholic patient (*article*), September 15, p. 1175

### adolescents

anterior hip pain (*article*), October 15, p. 1687

disorders of puberty (*article*), July, p. 209

primary dysmenorrhea (*article*), August, p. 489

protecting the health and safety of working teenagers (*article*), August, p. 575

troubled teen: matters of confidentiality (*curb con*), July, p. 300

### adoption

speech and language problems in international adoptees (*let*), October 1, p. 1322

### airway obstruction

diagnosis of stridor in children (*article*), November 15, p. 2289

obstructive sleep apnea (*article*), November 15, p. 2279

### alcohol

outpatient detoxification of the addicted or alcoholic patient (*article*), September 15, p. 1175

### allergy

atopic dermatitis: a review of diagnosis and treatment (*article*), September 15, p. 1191

food intolerance (*photo*), August, p. 593

provocation-neutralization in the treatment of food allergy (*let*), August, p. 392

### alternative medicine

herbal remedies (*let*), October 15, p. 1661; 1661; 1662

### Alzheimer's disease

AMA Council on Scientific Affairs reviews Alzheimer's disease guidelines (*med rep*), November 15, p. 2431

caretaker burnout: supporting families of patients with Alzheimer's disease (*curb con*), November 1, p. 2165

### amenorrhea

abnormal uterine bleeding (*article*), October 1, p. 1371

### amyotrophic lateral sclerosis

resources for patients with amyotrophic lateral sclerosis (*let*), December, p. 2508

### angina

ACC, AHA and ACP-ASIM develop guidelines for angina (*med rep*), October 1, p. 1564

contemporary management of angina: part I. risk assessment (*article*), December, p. 2543

### angiography

ACC and AHA update guidelines for coronary angiography (*med rep*), September 1, p. 1017

### angiotensin-converting enzyme

angiotensin II receptor antagonists in the treatment of hypertension (*article*), September 15, p. 1185

### angiotensin II receptor antagonists

angiotensin II receptor antagonists in the treatment of hypertension (*article*), September 15, p. 1185

### antibiotics

antibiotic therapy for viral infections in children (*let*), November 1, p. 1932

### anticoagulation

controversies in pulmonary embolism and deep venous thrombosis (*article*), November 1, p. 1969

monitoring warfarin therapy (*let*), September 1, p. 764

preventing stroke in patients with transient ischemic attacks (*article*), November 15, p. 2331

### antidepressant therapy

clinical pharmacology of mirtazapine: revisited (*let*), September 15, p. 1101

depression in women: diagnostic and treatment considerations (*article*), July, p. 225

### antioxidants

antioxidant vitamins and the prevention of coronary heart disease (*article*), September 1, p. 895

value of antioxidant vitamin supplements (*ed*), September 1, p. 742

### antiretroviral therapy

how to recognize and treat acute HIV syndrome (*article*), August, p. 535

### anxiety

coming face-to-face with social phobia (*ed*), November 15, p. 2244

post-traumatic stress reactions following motor vehicle accidents (*article*), August, p. 524

social anxiety disorder: a common underrecognized mental disorder (*article*), November 15, p. 2311

### apnea

obstructive sleep apnea (*article*), November 15, p. 2279

### appendicitis

acute appendicitis: review and update (*article*), November 1, p. 2027

### arthritis

reactive arthritis (Reiter's syndrome) (*article*), August, p. 499

## athletes

"burner": a common nerve injury in contact sports (*article*), November 1, p. 2035  
exercise-related syncope in the young athlete: reassurance, restriction or referral? (*article*), November 1, p. 2001

## B

### back pain

assessment and management of acute low back pain (*article*), November 15, p. 2299  
clinical criteria as a preliminary screen for cervical spine injury (*let*), October 1, p. 1318  
Waddell signs in the evaluation of back pain (*let*), October 15, p. 1666

### balding

surgical options for male pattern baldness (*let*), December, p. 2508

### birth control

potential postfertilization effect with use of the IUD (*let*), September 1, p. 761

### birth defects

folic acid requirements for women of childbearing age (*let*), December, p. 2510

### black patients

rational approach to the treatment of hypertension in special populations (*article*), July, p. 156

### blood pressure

angiotensin II receptor antagonists in the treatment of hypertension (*article*), September 15, p. 1185  
antihypertensive treatment and CHD in the elderly (*let*), September 15, p. 1102  
HELLP syndrome: recognition and perinatal management (*article*), September 1, p. 829  
national stroke association develops a consensus statement on prevention of stroke (*med rep*), July, p. 314  
rational approach to the treatment of hypertension in special populations (*article*), July, p. 156

### board certification

responses to questions about the specialty of family practice as a career (*article*), July, p. 167

### body image

in pursuit of perfection: a primary care physician's guide to body dysmorphic disorder (*article*), October 15, p. 1738

### bone density

prevention of osteoporosis and fractures (*article*), July, p. 194

### breast cancer

NCCN and ACS collaborate on a patient's version of the NCCN practice guidelines for breast cancer (*med rep*), November 1, p. 2169

## C

### cancer

approaching a terminally ill patient in denial (*curb con*), October 1, p. 1556  
comments on flexible sigmoidoscopy (*let*), November 15, p. 2237  
NCCN and ACS collaborate on a patient's version of the NCCN practice guidelines for breast cancer (*med rep*), November 1, p. 2169  
soft tissue sarcomas: integrating primary care recognition with tertiary care center treatment (*article*), August, p. 567

### cardiovascular disease

AHA and ACC issue scientific statement on preventive cardiology for women (*med rep*), October 15, p. 1846  
angiotensin II receptor antagonists in the treatment of hypertension (*article*), September 15, p. 1185  
contemporary management of angina: part I. risk assessment (*article*), December, p. 2543  
rational approach to the treatment of hypertension in special populations (*article*), July, p. 156  
right ventricular infarction: specific requirements of management (*article*), October 15, p. 1727

### cataract

common causes of vision loss in elderly patients (*article*), July, p. 99

### cerebrovascular disease

preventing stroke in patients with transient ischemic attacks (*article*), November 15, p. 2331

### cesarean section

ACOG urges a cautious approach to vaginal birth after cesarean delivery (*med rep*), September 15, p. 1245

### chickenpox

advisory committee on immunization practices updates recommendations for the prevention of varicella (*med rep*), October 15, p. 1849

### children

AAP and AAP issue a practice parameter on the management of minor closed head injury in children (*med rep*), December, p. 2698  
AAP issues guidelines for urinary tract infections in infants and toddlers (*med rep*), August, p. 665  
AAP report discusses success factors for pediatric call centers (*med rep*), September 15, p. 1242

advisory committee on immunization practices updates recommendations for the prevention of varicella (*med rep*), October 15, p. 1849

antibiotic therapy for viral infections in children (*let*), November 1, p. 1932

cost of inactivated vs. oral poliovirus vaccine (*let*), November 1, p. 1929

diagnosis of stridor in children (*article*), November 15, p. 2289

disorders of puberty (*article*), July, p. 209

eye in childhood (*article*), September 1, p. 907

food intolerance (*photo*), August, p. 593

heart murmurs in pediatric patients: when do you refer? (*article*), August, p. 558

Ludwig's angina in children (*article*), July, p. 109

management of acute gastroenteritis in children (*article*), December, p. 2555

pediatric advanced life support: a review of the AHA recommendations (*article*), October 15, p. 1743

screening for developmental dysplasia of the hip (*article*), July, p. 177

speech and language problems in international adoptees (*let*), October 1, p. 1322

we repeat, 30 years later: ORT for acute diarrheal disease is "in" (*ed*), December, p. 2501

### Chlamydia trachomatis

drug treatment of common STDs: part I. herpes, syphilis, urethritis, chlamydia and gonorrhea (*article*), October 1, p. 1387

### circumcision

female circumcision (*curb con*), August, p. 657  
male dyspareunia in the uncircumcised patient (*let*), July, p. 54

### colon cancer

comments on flexible sigmoidoscopy (*let*), November 15, p. 2237

### concussion

assessment and management of concussion in sports (*article*), September 1, p. 887  
concussion in sports (*ed*), September 1, p. 738

### confidentiality

troubled teen: matters of confidentiality (*curb con*), July, p. 300

### congenital disorders

screening for developmental dysplasia of the hip (*article*), July, p. 177

### contraception

potential postfertilization effect with use of the IUD (*let*), September 1, p. 761  
update on oral contraceptive pills (*article*), November 1, p. 2073  
vasectomy techniques (*article*), July, p. 137

**coronary artery disease**

ACC and AHA update guidelines for coronary angiography (*med rep*), September 1, p. 1017

right ventricular infarction: specific requirements of management (*article*), October 15, p. 1727

**corrections/clarifications**

aseptic meningitis in the newborn and young infant (*article*), November 1, p. 1933

case studies in international medicine (*quiz*), November 15, p. 2238

CDC calls for tuberculosis screening and treatment for all patients with HIV infection (*med rep*), October 1, p. 1333

current trends in cervical ripening and labor induction (*article*), November 15, p. 2238

melatonin (*let*), July, p. 61

new Medicare fraud campaign is launched by AARP (*news*), October 1, p. 1333

ordering and understanding the exercise stress test (*quiz*), August, p. 404

poliovirus vaccine options (*quiz*), July, p. 61

snowboarding injuries (*quiz*), August, p. 404

surgical options in the management of groin hernias (*quiz*), August, p. 404

warfarin therapy: evolving strategies in anticoagulation (*article*), October 1, p. 1333

**corticosteroids**

back rash (*photo*), September 1, p. 927

**D****deep venous thrombosis**

controversies in pulmonary embolism and deep venous thrombosis (*article*), November 1, p. 1969

**dehydration**

management of acute gastroenteritis in children (*article*), December, p. 2555

we repeat, 30 years later: ORT for acute diarrheal disease is "in" (*ed*), December, p. 2501

**depression**

clinical pharmacology of mirtazapine: revisited (*let*), September 15, p. 1101

depression in women: diagnostic and treatment considerations (*article*), July, p. 225

depression without sadness: alternative presentations of depression in late life (*article*), September 1, p. 820

pain, depression and survival (*ed*), July, p. 42

**dermatology**

atopic dermatitis: a review of diagnosis and treatment (*article*), September 15, p. 1191

back rash (*photo*), September 1, p. 927

white patch on back (*photo*), October 1, p. 1489

**detoxification**

outpatient detoxification of the addicted or alcoholic patient (*article*), September 15, p. 1175

**diabetes**

costs of helping patients with type 1 diabetes achieve tight control (*ed*), November 1, p. 1914

educational guidelines for achieving tight control and minimizing complications of type 1 diabetes (*article*), November 1, p. 1985

management of diabetic ketoacidosis (*article*), August, p. 455

management of the hyperosmolar hyperglycemic syndrome (*article*), October 1, p. 1468

oral pharmacologic management of type 2 diabetes (*article*), December, p. 2613

type 1 diabetes mellitus and the use of flexible insulin regimens (*article*), November 15, p. 2343

**diarrhea**

management of acute gastroenteritis in children (*article*), December, p. 2555

prevention and treatment of traveler's diarrhea (*article*), July, p. 119

we repeat, 30 years later: ORT for acute diarrheal disease is "in" (*ed*), December, p. 2501

**disease susceptibility**

genetic testing for disease susceptibility: social ethical and legal issues for family physicians (*med soc*), September 1, p. 748

**domestic violence**

case studies in partner violence (*article*), December, p. 2569

reframing our approach to domestic violence: the cyclic batterer syndrome (*ed*), December, p. 2498

**drowsiness**

chronic insomnia: a practical review (*article*), October 1, p. 1431

**drug abuse**

is my colleague overprescribing narcotics? (*curb con*), December, p. 2693

marijuana: medical implications (*article*), December, p. 2583

outpatient detoxification of the addicted or alcoholic patient (*article*), September 15, p. 1175

**drug interactions**

herbal remedies (*let*), October 15, p. 1661; 1661; 1662

**dysmenorrhea**

primary dysmenorrhea (*article*), August, p. 489

**dyspareunia**

male dyspareunia in the uncircumcised patient (*let*), July, p. 54

**dyspepsia**

dyspepsia: relief not yet beyond belief (*ed*), October 15, p. 1649

evaluation and management of dyspepsia (*article*), October 15, p. 1773

**dysplasia**

screening for developmental dysplasia of the hip (*article*), July, p. 177

**dysuria**

evaluation of dysuria in men (*article*), September 1, p. 865

**E****ear**

AAP recommends the development of universal newborn hearing screening programs (*med rep*), September 1, p. 1020

**elderly**

AMA council on scientific affairs reviews Alzheimer's disease guidelines (*med rep*), November 15, p. 2431

antihypertensive treatment and CHD in the elderly (*let*), September 15, p. 1102

common causes of vision loss in elderly patients (*article*), July, p. 99

contemporary management of angina: part I. risk assessment (*article*), December, p. 2543

depression without sadness: alternative presentations of depression in late life (*article*), September 1, p. 820

influenza vaccine for adults 50 to 64 years of age (*ed*), November 1, p. 1921

lowering the age for routine influenza vaccination to 50 years: AAFP leads the nation in influenza vaccine policy (*article*), November 1, p. 2061

physician reimbursement issues in home health care (*let*), July, p. 53

prevention of osteoporosis and fractures (*article*), July, p. 194

rational approach to the treatment of hypertension in special populations (*article*), July, p. 156

**emesis**

hypnosis in the treatment of hyperemesis gravidarum (*let*), July, p. 56

**employee exposure**

my needlestick (*res stu voice*), July, p. 329

**endometrial pathology**

abnormal uterine bleeding (*article*), October 1, p. 1371

diagnosis and treatment of endometriosis (*article*), October 15, p. 1753

**erectile dysfunction**

newer pharmacologic alternatives for erectile dysfunction (*article*), September 15, p. 1159

## **erythrocyte sedimentation**

clinical utility of the erythrocyte sedimentation rate (*article*), October 1, p. 1443

## **estrogen**

hormone replacement therapy and risk of heart disease (*let*), November 15, p. 2234

is raloxifene the answer to the HRT story? (*ed*), September 15, p. 1092

raloxifene: a selective estrogen receptor modulator (*article*), September 15, p. 1131

## **ethics**

disclosing the truth about a medical error (*curb con*), September 1, p. 1013

genetic testing for disease susceptibility: social ethical and legal issues for family physicians (*med soc*), September 1, p. 748

is my colleague overprescribing narcotics? (*curb con*), December, p. 2693

## **exercise**

exercise-related syncope in the young athlete: reassurance, restriction or referral? (*article*), November 1, p. 2001

## **eye conditions**

common causes of vision loss in elderly patients (*article*), July, p. 99

endogenous endophthalmitis: case report and brief review (*article*), August, p. 510

eye in childhood (*article*), September 1, p. 907

## **F**

### **falls**

prevention of osteoporosis and fractures (*article*), July, p. 194

### **family practice**

family practice as a career choice (*ed*), July, p. 38

responses to questions about the specialty of family practice as a career (*article*), July, p. 167

### **fever**

how to recognize and treat acute HIV syndrome (*article*), August, p. 535

### **flexible sigmoidoscopy**

comments on flexible sigmoidoscopy (*let*), November 15, p. 2237

### **folic acid**

folic acid requirements for women of childbearing age (*let*), December, p. 2510

### **food**

food intolerance (*photo*), August, p. 593  
provocation-neutralization in the treatment of food allergy (*let*), August, p. 392

### **food poisoning**

reactive arthritis (Reiter's syndrome) (*article*), August, p. 499

## **foot problems**

treatment choices for plantar fasciitis (*let*), December, p. 2504

## **fractures**

acute knee injuries: use of decision rules for selective radiograph ordering (*article*), December, p. 2599

prevention of osteoporosis and fractures (*article*), July, p. 194

## **G**

### **gastroenteritis**

management of acute gastroenteritis in children (*article*), December, p. 2555

we repeat, 30 years later: ORT for acute diarrheal disease is "in" (*ed*), December, p. 2501

### **gastroesophageal reflux disease**

head and neck manifestations of gastroesophageal reflux disease (*article*), September 1, p. 873

### **genetics**

genetic testing for disease susceptibility: social, ethical and legal issues for family physicians (*med soc*), September 1, p. 748

### **genitals**

drug treatment of common STDs: part I. herpes, syphilis, urethritis, chlamydia and gonorrhea (*article*), October 1, p. 1387

drug treatment of common STDs: part II. vaginal infections, pelvic inflammatory disease and genital warts (*article*), October 15, p. 1716

female circumcision (*curb con*), August, p. 657

Peyronie's disease: current management (*article*), August, p. 549

thinking about sexually transmitted diseases (*ed*), October 1, p. 1335

vasectomy techniques (*article*), July, p. 137

### **glaucoma**

common causes of vision loss in elderly patients (*article*), July, p. 99

### **glucose**

educational guidelines for achieving tight control and minimizing complications of type 1 diabetes (*article*), November 1, p. 1985

management of the hyperosmolar hyperglycemic syndrome (*article*), October 1, p. 1468

oral pharmacologic management of type 2 diabetes (*article*), December, p. 2613

type 1 diabetes mellitus and the use of flexible insulin regimens (*article*), November 15, p. 2343

### **gonorrhea**

drug treatment of common STDs: part I. herpes, syphilis, urethritis, chlamydia and gonorrhea (*article*), October 1, p. 1387

## **gout**

use of intravenous colchicine for podagra (*let*), December, p. 2504

## **guidelines**

AAP issues guidelines for urinary tract infections in infants and toddlers (*med rep*), August, p. 665

AAP report discusses success factors for pediatric call centers (*med rep*), September 15, p. 1242

ACC, AHA and ACP-ASIM develop guidelines for angina (*med rep*), October 1, p. 1564

ACC and AHA update guidelines for coronary angiography (*med rep*), September 1, p. 1017

AMA council on scientific affairs reviews Alzheimer's disease guidelines (*med rep*), November 15, p. 2431

educational guidelines for achieving tight control and minimizing complications of type 1 diabetes (*article*), November 1, p. 1985

NCCN and ACS collaborate on a patient's version of the NCCN practice guidelines for breast cancer (*med rep*), November 1, p. 2169

pediatric advanced life support: a review of the AHA recommendations (*article*), October 15, p. 1743

## **gynecology**

abnormal uterine bleeding (*article*), October 1, p. 1371

ACOG urges a cautious approach to vaginal birth after cesarean delivery (*med rep*), September 15, p. 1245

current trends in cervical ripening and labor induction (*ed*), August, p. 418

current trends in cervical ripening and labor induction (*article*), August, p. 477

diagnosis and treatment of endometriosis (*article*), October 15, p. 1753

hypnosis in the treatment of hyperemesis gravidarum (*let*), July, p. 56

primary dysmenorrhea (*article*), August, p. 489

update on oral contraceptive pills (*article*), November 1, p. 2073

## **H**

### **Hansen's disease**

numb skin eruption (*photo*), November 1, p. 2087

### **headache**

assessment and management of concussion in sports (*article*), September 1, p. 887

concussion in sports (*ed*), September 1, p. 738

**head injury**

AAFP and AAP issue a practice parameter on the management of minor closed head injury in children (*med rep*), December, p. 2698

**health care policy**

AAP report discusses success factors for pediatric call centers (*med rep*), September 15, p. 1242

family physician as a hospitalist (*let*), August, p. 402

home telemedicine: merging the old and new ways (*ed*), September 15, p. 1096

home visit (*article*), October 1, p. 1481

medical care in the home (*ed*), October 1, p. 1339

**hearing loss**

AAP recommends the development of universal newborn hearing screening programs (*med rep*), September 1, p. 1020

**heartburn**

evaluation and management of dyspepsia (*article*), October 15, p. 1773

head and neck manifestations of gastroesophageal reflux disease (*article*), September 1, p. 873

**heart disease**

ACC and AHA update guidelines for coronary angiography (*med rep*), September 1, p. 1017

AHA and ACC issue scientific statement on preventive cardiology for women (*med rep*), October 15, p. 1846

antioxidant vitamins and the prevention of coronary heart disease (*article*), September 1, p. 895

contemporary management of angina: part I. risk assessment (*article*), December, p. 2543

heart murmurs in pediatric patients: when do you refer? (*article*), August, p. 558

hormone replacement therapy and risk of heart disease (*let*), November 15, p. 2234

right ventricular infarction: specific requirements of management (*article*), October 15, p. 1727

treatment of right ventricular infarction (*ed*), October 15, p. 1640

**HELLP syndrome**

HELLP syndrome: recognition and perinatal management (*article*), September 1, p. 829

**hematuria**

evaluation of asymptomatic microscopic hematuria in adults (*article*), September 15, p. 1143

**herbal medicine**

herbal remedies (*let*), October 15, p. 1661; 1661; 1662

**herniated disc**

Waddell signs in the evaluation of back pain (*let*), October 15, p. 1666

**herpes**

drug treatment of common STDs: part I. herpes, syphilis, urethritis, chlamydia and gonorrhea (*article*), October 1, p. 1387

**hip abnormalities**

anterior hip pain (*article*), October 15, p. 1687

pigmented villonodular synovitis of the hip and knee (*article*), October 1, p. 1404

screening for developmental dysplasia of the hip (*article*), July, p. 177

**HIV/AIDS**

acute HIV-1 infection: early identification and treatment (*ed*), August, p. 413

conundrum of early HIV infection (*ed*), August, p. 417

evaluation and treatment of weight loss in adults with HIV disease (*article*), September 1, p. 843

how to recognize and treat acute HIV syndrome (*article*), August, p. 535

my needlestick (*res stu voice*), July, p. 329

*Pneumocystis carinii* pneumonia: a clinical review (*article*), October 15, p. 1699

**home health care**

home telemedicine: merging the old and new ways (*ed*), September 15, p. 1096

home visit (*article*), October 1, p. 1481

medical care in the home (*ed*), October 1, p. 1339

physician reimbursement issues in home health care (*let*), July, p. 53

**hormone replacement therapy**

hormone replacement therapy and risk of heart disease (*let*), November 15, p. 2234

is raloxifene the answer to the HRT story? (*ed*), September 15, p. 1092

raloxifene: a selective estrogen receptor modulator (*article*), September 15, p. 1131

**hospitalists**

family physician as a hospitalist (*let*), August, p. 402

**human parvovirus**

parvovirus B19 infections (*article*), October 1, p. 1455

**hyperglycemia**

management of the hyperosmolar hyperglycemic syndrome (*article*), October 1, p. 1468

**hyperosmolality**

management of the hyperosmolar hyperglycemic syndrome (*article*), October 1, p. 1468

**hyperplasia**

evaluation of dysuria in men (*article*), September 1, p. 865

**hypertension**

angiotensin II receptor antagonists in the treatment of hypertension (*article*), September 15, p. 1185

antihypertensive treatment and CHD in the elderly (*let*), September 15, p. 1102

HELLP syndrome: recognition and perinatal management (*article*), September 1, p. 829

national stroke association develops a consensus statement on prevention of stroke (*med rep*), July, p. 314

rational approach to the treatment of hypertension in special populations (*article*), July, p. 156

**hypnosis**

hypnosis in the treatment of hyperemesis gravidarum (*let*), July, p. 56

**hypospadias**

preventing unnecessary hypospadias repair (*let*), November 1, p. 1933

**immunization**

advisory committee on immunization practices issues recommendations for the 1999-2000 influenza season (*med rep*), July, p. 309

advisory committee on immunization practices updates recommendations for the prevention of varicella (*med rep*), October 15, p. 1849

eleven national medical associations join to prevent pneumonia (*med rep*), August, p. 670

**impotence**

newer pharmacologic alternatives for erectile dysfunction (*article*), September 15, p. 1159

**infants**

AAP issues guidelines for urinary tract infections in infants and toddlers (*med rep*), August, p. 665

AAP recommends the development of universal newborn hearing screening programs (*med rep*), September 1, p. 1020

failure to pass meconium: diagnosing neonatal intestinal obstruction (*article*), November 1, p. 2043

issues in newborn screening for phenylketonuria (*article*), October 1, p. 1462

management of acute gastroenteritis in children (*article*), December, p. 2555

preventing unnecessary hypospadias repair (*let*), November 1, p. 1933

screening for developmental dysplasia of the hip (*article*), July, p. 177

we repeat, 30 years later: ORT for acute diarrheal disease is "in" (*ed*), December, p. 2501

## **infection**

AAP issues guidelines for urinary tract infections in infants and toddlers (*med rep*), August, p. 665

acute HIV-1 infection: early identification and treatment (*ed*), August, p. 413

antibiotic therapy for viral infections in children (*let*), November 1, p. 1932

case studies in international travelers (*article*), August, p. 471

protecting the health and safety of working teenagers (*article*), August, p. 575

## ophthalmology

common causes of vision loss in elderly patients (*article*), July, p. 99

## oral rehydration therapy

we repeat, 30 years later: ORT for acute diarrheal disease is "in" (*ed*), December, p. 2501

## orthopedic conditions

assessment and management of acute low back pain (*article*), November 15, p. 2299

## osteoarthropathy

painter's knee? (*photo*), December, p. 2623

## osteoporosis

prevention of osteoporosis and fractures (*article*), July, p. 194

raloxifene: a selective estrogen receptor modulator (*article*), September 15, p. 1131

## P

### pain

anterior hip pain (*article*), October 15, p. 1687  
assessment and management of acute low back pain (*article*), November 15, p. 2299  
pain, depression and survival (*ed*), July, p. 42  
patellofemoral pain syndrome: a review and guidelines for treatment (*article*), November 1, p. 2012

### papillomavirus

drug treatment of common STDs: part II. vaginal infections, pelvic inflammatory disease and genital warts (*article*), October 15, p. 1716

### parasites

delusions of parasitosis (*let*), December, p. 2507

### patellofemoral

patellofemoral pain syndrome: a review and guidelines for treatment (*article*), November 1, p. 2012

patient information (see index for patient education handouts, p. 2738)

## pelvic inflammatory disease

drug treatment of common STDs: part II. vaginal infections, pelvic inflammatory disease and genital warts (*article*), October 15, p. 1716

## penis

Peyronie's disease: current management (*article*), August, p. 549

## **pets**

finger infection in a pet store employee  
(photo), July, p. 245

## **phenylketonuria**

issues in newborn screening for  
phenylketonuria (article), October 1, p. 1462

## **phobias**

coming face-to-face with social phobia (ed),  
November 15, p. 2244

delusions of parasitosis (let), December,  
p. 2507

social anxiety disorder: a common  
underrecognized mental disorder (article),  
November 15, p. 2311

## **physician-patient relationship**

approaching a terminally ill patient in denial  
(curb con), October 1, p. 1556

'be the doctor, always' (res stu voice),  
October 1, p. 1576

caretaker burnout: supporting families of  
patients with Alzheimer's disease (curb con),  
November 1, p. 2165

disclosing the truth about a medical error  
(curb con), September 1, p. 1013

home telemedicine: merging the old and new  
ways (ed), September 15, p. 1096

home visit (article), October 1, p. 1481

troubled teen: matters of confidentiality (curb  
con), July, p. 300

## **pigmented villonodular synovitis**

pigmented villonodular synovitis of the hip  
and knee (article), October 1, p. 1404

## **plantar fasciitis**

treatment choices for plantar fasciitis (let),  
December, p. 2504

## **pneumonia**

eleven national medical associations join to  
prevent pneumonia (med rep), August,  
p. 670

*Pneumocystis carinii* pneumonia: a clinical  
review (article), October 15, p. 1699

## **podagra**

use of intravenous colchicine for podagra  
(let), December, p. 2504

## **polio**

cost of inactivated vs. oral poliovirus vaccine  
(let), November 1, p. 1929

## **post-traumatic stress**

post-traumatic stress reactions following  
motor vehicle accidents (article), August,  
p. 524

## **pregnancy**

current trends in cervical ripening and labor  
induction (ed), August, p. 418

current trends in cervical ripening and labor  
induction (article), August, p. 477

HELLP syndrome: recognition and perinatal  
management (article), September 1, p. 829

hypnosis in the treatment of hyperemesis  
gravidarum (let), July, p. 56

## **preventive health**

ACIP issues recommendations for Lyme  
disease vaccine (med rep), November 1,  
p. 2171

advisory committee on immunization  
practices updates recommendations for the  
prevention of varicella (med rep),  
October 15, p. 1849

AHA and ACC issue scientific statement on  
preventive cardiology for women (med rep),  
October 15, p. 1846

antioxidant vitamins and the prevention of  
coronary heart disease (article),  
September 1, p. 895

eleven national medical associations join to  
prevent pneumonia (med rep), August,  
p. 670

national stroke association develops a  
consensus statement on prevention of  
stroke (med rep), July, p. 314

prevention and treatment of traveler's  
diarrhea (article), July, p. 119

prevention of recurrent nephrolithiasis  
(article), November 15, p. 2269

protecting the health and safety of working  
teenagers (article), August, p. 575

## **procedures**

vasectomy techniques (article), July, p. 137

## **psychologic disorders**

coming face-to-face with social phobia (ed),  
November 15, p. 2244

delusions of parasitosis (let), December,  
p. 2507

social anxiety disorder: a common  
underrecognized mental disorder (article),  
November 15, p. 2311

## **puberty**

disorders of puberty (article), July, p. 209

## **pulmonary conditions**

diagnosis of stridor in children (article),  
November 15, p. 2289

## **pulmonary embolism**

controversies in pulmonary embolism and  
deep venous thrombosis (article),  
November 1, p. 1969

## **Q**

## **R**

## **radiographs**

acute knee injuries: use of decision rules for  
selective radiograph ordering (article),  
December, p. 2599

clinical criteria as a preliminary screen for  
cervical spine injury (let), October 1, p. 1318

## **raloxifene**

is raloxifene the answer to the HRT story?  
(ed), September 15, p. 1092

raloxifene: a selective estrogen receptor  
modulator (article), September 15, p. 1131

## **rash**

atopic dermatitis: a review of diagnosis and  
treatment (article), September 15, p. 1191

back rash (photo), September 1, p. 927

## **Reiter's syndrome**

reactive arthritis (Reiter's syndrome) (article),  
August, p. 499

## **respiratory system**

diagnosis of stridor in children (article),  
November 15, p. 2289

*Pneumocystis carinii* pneumonia: a clinical  
review (article), October 15, p. 1699
